

We had two wonderful weather days at the Sunbury River Festival that were fantastic! We shared 30 community education courses handouts and conducted two interviews. We networked with many who were excited about the prospect of having a regional community college. A picture of our booth is attached - thanks to Sunbury Revitalization we had a prime spot under a shady tree.

A special shout of thanks to Tom Rall, Kevin Singer, Dave Zartman, Rick Shoch, Scott Myers, Barb Spaventa, and Rodger Babnew for staffing the SVCEP booth and to Carole Mazzeo for scheduling.
